

VIGNESH KRISHNASAMY

Support engineer

Profile

I'm working in Amazon as software support engineer I've great passion towards programming.

Skills

- AWS
- React js
- Angular
- Python
- Java
- Typescript
- PHP
- Flutter

Why a programmer

While I used to program, I find a more mature version of myself. I find it to be a source of peace of mind and help me to deal with life's tribulations. As a result, it turns out to be my passion.
